

## Keeper and his special nursery (Level 2)

Ursula Nafula and Nina Orange  
English

This is the story of  
Keeper and his  
nursery for  
orphaned animals.

Last month was a busy month at the nursery.

One-year-old Nomsa was the first to arrive. She was thin and sad.

But soon, Nomsa  
got stronger.

She began to play  
with the other animals.

On another day that month, a helicopter landed at the nursery.

In the helicopter  
was a small elephant  
under big blanket.

Ndiwa was under  
the blanket.

He was five days' old.

Keeper fed Ndiwa  
with a bottle.

One night,  
everybody was  
woken up  
by the arrival  
of Ambia.

Ambia was five months' old.

She was weak after her long journey.

Because of her long neck,  
Keeper held  
the bottle high  
to feed Ambia.

The last orphans to arrive that month were three hungry cubs.

Their names were Kopi, Kepi and Keji.

Keeper and his helpers love all of the animals. Even the naughty ones.

The people at the nursery work hard.

They hope that one day the orphans can look after themselves.

Then these animals can return to the wild.
