

Palm tree

Simon Ipoo
English

Let me tell you
about the
palm tree.

This tree lives
when everything
else is dry.

The palm tree
shade is cool.

We eat fruit
from the
palm tree.

We use palm
leaves
to thatch
our houses.

We use palm
branches
to fence
our homesteads.

We make brooms
and mats
from palm leaves.

We use palm tree seeds for fuel.

Do you see why
the palm tree
is important?
