Ready to begin? Start on your path to credit through Saylor Direct credit courses at www.saylor.org/credit (<https://www.saylor.org/credit/>).

Saylor Academy is not an accredited school, so awarding credit for our courses is always the decision of your college or university. We have worked directly with these schools to ensure a smooth process, but please confirm your eligibility for credit with individual schools and let us know about any issues with the information on our site.
