

# Mamá Jaguar Baña a Su Bebé

Él es Bebé Jaguar.  
Vive en el zoológico.

A Bebé Jaguar le gusta jugar  
con su mamá.

Mamá Jaguar le dice, "Si me lames, ite voy a bañar!"

Bebé Jaguar se va. ¡No quiere  
bañarse!

Se acuesta en una roca grande,  
pero la roca es demasiado dura.

Se acuesta en un tronco, pero es demasiado duro también.

Se acuesta en el pasto.  
¡Ahora **necesita** bañarse!

iY Mamá Jaguar está lista  
para ayudarle!

Our aim with this series of books is to weave together two significant goals in the design of early reading materials—that the books are both instructional and engaging. Books designed to develop reading skills often end up feeling like work to read, while books designed to be interesting are often too difficult for beginning readers.

These books for beginning readers support phonics-based classroom instruction by including a high concentration of phonetically regular words, as well as the most commonly used sight words. However, the books are written using pictures and stories that make sense and promote both language and conceptual development. The books encourage questions, conversations and thoughtful engagement, aiming towards the new common core standards. Our intent is to produce books that kids want to read, think about, talk about and read again.
